SHATABDI NETBIZ

Business Profile

Training consultancy and Skill development

Empowering Skills | Ensuring Safety | Driving Sustainability

OVERVIEW

Shatabdi NetBiz (SNBiz) is a specialized training consultancy and development institute dedicated to delivering high-impact, customized learning solutions for **industries, organizations and individuals**.

Since its inception in 2020, SNBiz has evolved into a trusted partner for capacity building, focusing on industry-relevant training, safety excellence, and sustainable workforce development. Our core strength lies in designing and delivering practical, results-oriented training programs aligned with international standards and local operational realities.

We go beyond traditional training by offering end-to-end solutions, including:

- ✓ Training Needs Assessment (TNA)
- ✓ Customized Module Development
- ✓ On-site & experiential training delivery
- ✓ Competency assessment and evaluation
- ✓ Post-training performance support
